

## **MEMORANDUM OF UNDERSTANDING WITH NATIONAL BUSINESS ASSOCIATION OF COLOMBIA**

**On 16 March 2010 the Council signed an MOU with the National Business Association of Colombia (ANDI). The text of the MOU follows:**

Recognising that the business linkages between Colombia and New Zealand have significant potential to grow, LANZBC and ANDI agree:

- To maintain regular exchanges of information between each party about the respective activities and opportunities for business in each country;
- To promote to their respective business communities the possibilities for business with the other country as much as possible;
- To promote the concept of investment and technology flows between the two countries;
- To support the further development of education services and linkages between the two countries;
- To encourage their respective Governments to consider ways in which business linkages between the two countries can be strengthened, including through Ministerial visits;
- To promote and encourage more business visits and delegations between the two countries, leading to beneficial outcomes for both sides.
